

The following is a comprehensive list of the databases/countries currently available in EzStamp. ALL **697** databases in EzStamp are COMPLETE and are compiled by SoftPro. They are thoroughly checked with our stringent quality control procedures. All EzStamp databases come complete with current market values and beautiful color images that we scan from the original stamp. At the end of this document, you will find a list of the databases we are working to complete. We will release them once they are 100% completed. SoftPro will not release incomplete databases in EzStamp. EzStamp currently has a monumental **9,600,000 market values** available in all the databases.
